# EMPOWERING DIGITAL WORKPLACES

RICOH IMPROVES WORKPLACES USING INNOVATIVE TECHNOLOGIES & SERVICES ENABLING INDIVIDUALS TO WORK SMARTER

As speed is one important key success factor of your business, Ricoh launches Ricoh EZ Plus – Starter Pack, it can help to simplify and speed up your documents processes. These four applications installed on Ricoh multifunction printer's Smart Operation Panel, aim to eliminate the tedious steps for some of the existing documents processes. Thus, allowing you to work more efficiently and focus on your primary job.

Ricoh EZ Masking	Ricoh EZ Receipt Scan	Ricoh EZ Image Divider	Ricoh EZ Copy Clone
This application allow user to mask-out sensitive information on the hardcopy documents before passing it to others.	This app help to scan all your odd sizes receipt in one go.	This app allow user to scan different ID's or documents in one go and printed them out individually.	This all simply help to duplicate your hardcopies into multiple of 2 or max 8 copies in one A4 size.
			

## Ricoh delivers a better way of working. All you need is one of our new MFPs.

As our world keeps on changing, every office is evolving its own working style. To keep pace with new needs which constantly emerging, our MFPs have evolved even further.

The new MFPs offer intuitive controls, and a user interface that streamlines your workflow. A wide range of Apps to suit many different working styles. And support for new ways to leverage your business data, even when you're away from the office.

Advanced features enhance usability and make your working life easier. Designed with tomorrow's workplace in mind, these new models deliver a better way of working. Packed with all the highly-evolved functionality needed for today's business, they're ready to transform your office.

### ■ User-friendly

#### Power at your fingertips

The user interface is simple and intuitive. From the wide range of Apps provided, choose the ones that suit your way of working. As soon as you touch the screen, you'll find yourself working smarter.

### ■ Support the way you work today

#### Freedom to work remotely

Using cloud connectivity, you can view documents remotely on your smart device, and share information effectively through RICOH MFPs. Today's new, location-independent working styles, empowered.

### ■ Security Assurance

#### Control what happens next

Use the MFP default User authentication to track activities, set print quotas and restrict access to specific functions from individuals to groups or departments level. Protect the confidentialities of documents.

## Innovating your workplace.

We want to create real functionality and a seamless user experience. And thanks to a range of helpful features – including the ability to securely print from mobile devices – our main innovation is perhaps the sheer variety of Apps and customisable solutions that will really make a difference to your day.

### A whole new world of Apps.

Ricoh Smart Operation Panel allows you to integrate multiple processes and customize shortcuts to bypass many of the mundane, repetitive manual task. You can download and install additional Apps, firmware or uninstall Apps within the operation panel, without interrupting your work. For more advanced workflows, you can add software solutions to automate the way you manage information.

### Streamline business with a whole new way to work.

More productive workflows are within your grasp. Actually, they are at your fingertips. Use RICOH's Workstyle Innovation Technology to simplify how you manage your information on the 10.1" wide Super VGA touchscreen Smart Operational Panel. We have removed all hard keys, so you can use the same swipe scrolling, drag-and-drop and pinch-flick gestures you use on your smartphone or tablet to access settings and details faster and more conveniently. Simply tap an icon to begin core tasks like printing, scanning, copying and faxing. Choose which icons, options and notifications appear on your unique user interface to customize each user experience.

### Put personalization at your fingertips.

You know what you're doing. Leverage that knowledge to be more efficient. With Workstyle Innovation Technology, you can integrate multiple processes, simplify complex tasks and bypass many of the mundane, repetitive manual tasks that slow you down. For example, you can scan each week's sales meeting notes and share them with the same recipients in a single touch from the Home Screen. Take advantage of one-touch controls for special tasks too. Press the ID Card Copy icon to scan two-sided documents such as licenses or insurance cards onto a single-sided document. For more advanced workflows, you can add optional plug-and-play workflow software to automate the way you manage information and help reduce operating costs, thus, improving your business process productivity.
